Jeffrey Bonner,

You have successfully submitted your application to the B.S. Computer Science and Engineering major! **Please use the link below to download a PDF copy of your application. Keep this PDF as confirmation of your submission.**

The Department of Computer Science and Engineering will review your information and your academic records as part of the admission to major evaluation process. **Admission decisions will be sent to your OSU email address after final grades for this term have posted.**

When scheduling classes for next term, put yourself on the waitlist for any CSE courses you would like to take, regardless of whether or not the classes appear to be open. Towards the end of the semester, the CSE Advising Office will begin moving waitlisted students into the courses.

If you have any questions, or would like to withdraw your application to major after submitting it, please contact the CSE Advising Office at ugadvising@cse.ohio-state.edu.

Sincerely,

Faculty and Staff of the Department of Computer Science and Engineering
